ACUTEC Internship Information Session

Please join us on **Thursday, September 3 at noon** in **Alden 101** to learn about Computer Science internship possibilities at Acutec, a machining company based in Meadville.

Some of the tools/skills used by current Acutec software developers include: SQL server, Java script, HTML 5, C#, .NET

Pizza will be provided for lunch, please sign up in class or RSVP to jjumadinova@allegheny.edu
