Choosing the Right Career Path for You

Jonathan Miller Kauffman
November 13, 2018 @12:30 PM
Alden Hall

Do you think that a CS degree only qualifies you for a programming job? If so, you should attend this talk to learn about the myriad of career opportunities that are available to graduates of a CS program. You will learn how Jonathan Kauffman has applied the knowledge that he gained at Allegheny College as a researcher, developer, and consultant, and will also hear first-hand descriptions of the pros and cons of each of these roles.

CODING CHALLENGE

Are you interested in applying your skills to an open-source project? Want to have the chance to win your very own Raspberry Pi 3? If so, you'll want to participate in our coding challenge. To learn more about the challenge, please read the following description:

https://bit.ly/2Q7a7ln

All PRs must be submitted by Friday, November 9th by 5:00 PM to be considered in the challenge. The winner will be announced at the end of the talk.

INTERVIEWS

Are you a senior who is seeking to start their career in software development? If so, Coveros may be a great option for you! We believe that people are our greatest asset, and we will provide you with a variety of training and project experiences. If you are interested in interviewing with Coveros, please send your resume to the following address by Wednesday, November 7th at 5:00 PM:

jonathan.kauffman@coveros.com

If you are selected for an interview, you will be contacted and an interview will be scheduled.
